

A Year of Flowers

January

Snowdrops

Use 2 strands for stitching unless stated otherwise...

Colour & Stitch Guide:

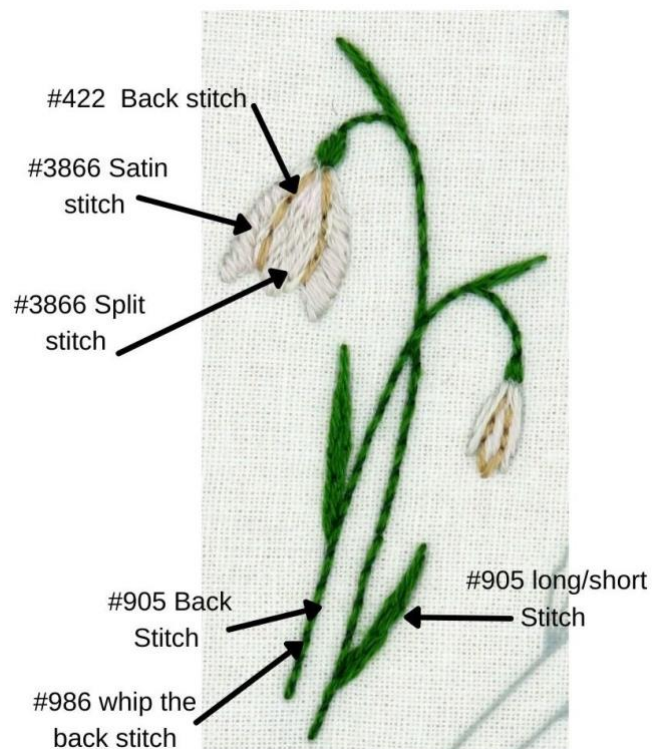

How to stitch the flowers...

- #3866: Split stitch the centre petal on both flowers and then satin stitch the outer petals on each side.
- #422: Back stitch down each side of the centre petal.

How to stitch the stems & leaves...

The stems are done with whipped back stitch:

- #905: Back stitch the stems and then with 1 strand of #986 whip the back stitch to finish.
- #905: Long & Short Stitch the Leaves and straight stitch the sepal.
